# License Agreement for royalty-free photographs

THIS IS A LEGAL AGREEMENT BETWEEN YOU AND BRENT J. BERGHERM. PLEASE READ THIS AGREEMENT CAREFULLY. BY BREAKING THE CD-ROM SEAL OR DOWNLOADING OR USING ANY IMAGE YOU AGREE TO BE BOUND BY THE TERMS AND CONDITIONS OF THIS AGREEMENT. IF YOU DO NOT AGREE AND HAVE NOT EXERCISED THE RIGHTS GRANTED UNDER THIS AGREEMENT, YOU MAY PROMPTLY RETURN THE UN-USED CD-ROM AND ALL ACCOMPANYING MATERIALS IN THE ORIGINAL PACKAGING FOR A **REFUND** OF THE PURCHASE PRICE AND/OR DO NOT DOWNLOAD OR USE ANY OF THE IMAGES.

IF YOU ARE ENTERING INTO THIS AGREEMENT ON BEHALF OF YOUR EMPLOYER, THIS LICENSE AND ALL THE RESTRICTIONS AND LIMITATIONS RECITED HEREIN APPLY TO YOUR EMPLOYER AS WELL AS TO YOU AS A REPRESENTATIVE OF YOUR EMPLOYER.

ALL THE IMAGES INCLUDED IN THE CD-ROM AND OUR WEBSITE ARE COPYRIGHTED AND ALL RIGHTS TO THESE IMAGES ARE OWNED BY BRENT J. BERGHERM. ALL RIGHTS THAT ARE NOT SPECIFICALLY GRANTED TO YOU BY THIS AGREEMENT ARE RESERVED. YOUR RIGHT TO USE ANY OF MY IMAGES IS SUBJECT TO YOUR FULL PAYMENT OF THE LICENSE AND THE RESTRICTIONS SET FORTH IN THIS AGREEMENT.

## I. Reproduction rights granted

1.1 By this Agreement, Brent J. Bergherm grants you a personal, non-exclusive and non-transferable right to use and reproduce, for your own commercial or non-commercial use, on a worldwide and perpetual basis, the images included in the CD-ROM or in our website (the Images), in the following ways:

a) Print usage: refers to any type of printed, tangible materials including advertising, promotional materials, publications or products (including for sale products);

b) Non-print usage: refers to any digital or electronic materials including websites, multimedia presentations and CD-Roms provided that no Image is incorporated into a design that allows for or encourages downloading and copying by a third party;

**NOTE: IMAGES ARE NOT SOLD, THEIR USE IS LICENSED TO YOU.**

## II. Restriction on use

2.1 The rights hereby granted to you are non-transferable which means that any work that you produce using an Image must be for your own use, or for the use of your direct employer, client or customer, who must be the end-user of your work. **You may not sublicense, sell, loan or otherwise transfer to anyone any of the Images contained on the CD-Rom or the right to use the Images except insofar as an Image has been included by you into one of the authorized uses referred to in Section 1 above** and nothing you produce shall grant or purport to grant to any third party a right to use or reproduce the Images. You hereby agree to take all commercially reasonable steps to prevent third parties from duplicating or distributing the Images.

2.2 If Images are licensed by a company, they may be shared by creating an Image library, Image storage jukebox, network configuration or similar arrangement.

2.3 Except as specifically provided in this Agreement you may not share or copy the Images or create a network of servers, either with or without a central location enabling others to share the Images. Employees that have access to the images will be trained and informed about this agreement and shall be prohibited from transferring these images from the company's computers for any other use, personal or otherwise.

2.4 You may not use the Image as part of a service mark or trademark or infringe on anyone's trade name, service mark or trademark.

2.5 You may not place the Image online or other electronic distribution systems in a downloadable, FTP or other similar format.

2.6 You may not use the Images for any form of pornography, or in a libelous, defamatory, fraudulent, infringing, or other illegal manner. Advance written permission is required for use of Images for sensitive subjects, included, but not limited to, substance abuse, physical or mental abuse, alcohol, tobacco, AIDS, cancer or other serious physical or mental ailments or the disparagement of a person or product.

2.7 You may make one copy of the Images and software for backup purposes only which shall only be used if the original copy becomes defective, or is destroyed or otherwise irretrievably lost.

2.8 Software may only be used in conjunction with the Images.

2.9 Upon notice of discontinuance of a license for any particular Image, you agree not to use such Image in the future.

*Continued on Page 3*

### III. Indemnity

3.1 You agree to indemnify and hold Brent J. Bergherm and his licensors, heirs and agents harmless against any damages or liability of any kind arising from any use of the Images other than the uses specifically permitted by this Agreement.

### IV. Warranty

4.1 The CD-ROMs come with a warranty of 90 days from the date of delivery against defects in material and workmanship. Your sole and exclusive remedy for a breach of this warranty is the replacement of the CD-ROM or refund of the purchase price, at Brent J. Bergherm's option.

### V. Limitation of liability

5.1 Neither Brent J. Bergherm nor his employees, partners, licensors, heirs, or agents shall be held liable for any indirect, consequential, punitive, or incidental damages arising out of, or the inability to use, the CD-Rom or an Image, even if Brent J. Bergherm has been advised of the possibility of such damages. In any event, the limit of liability of Brent J. Bergherm shall be the fee paid for the particular Image or CD-Rom.

### VI. Severability

6.1 Should any clause of the present Agreement be found unenforceable, whenever possible this will not affect any other clause and each will remain in full force and effect.

### VII. Law and venue

7.1 This Agreement, and all matters collateral thereto, shall be governed by and construed in accordance with the laws of Washington State, USA. Any dispute arising hereunder shall be litigated solely in a court of competent jurisdiction in Washington State or other federally mandated court. Notwithstanding this, this shall not preclude Brent J. Bergherm from reserving the right to resolve a dispute in another competent jurisdiction. This Agreement shall not be governed by the United Nations Convention on Contracts for the International Sale of Goods, the application of which is expressly disclaimed.

If you wish to have additional rights or have any question regarding your rights or obligations under this Agreement, please contact us at [brent@brentbergherm.com](mailto:brent@brentbergherm.com).

## How To use this CD-ROM

In addition to this "getting started guide," there are three folders found on this CD-ROM. They are described as follows.

### High\_Res

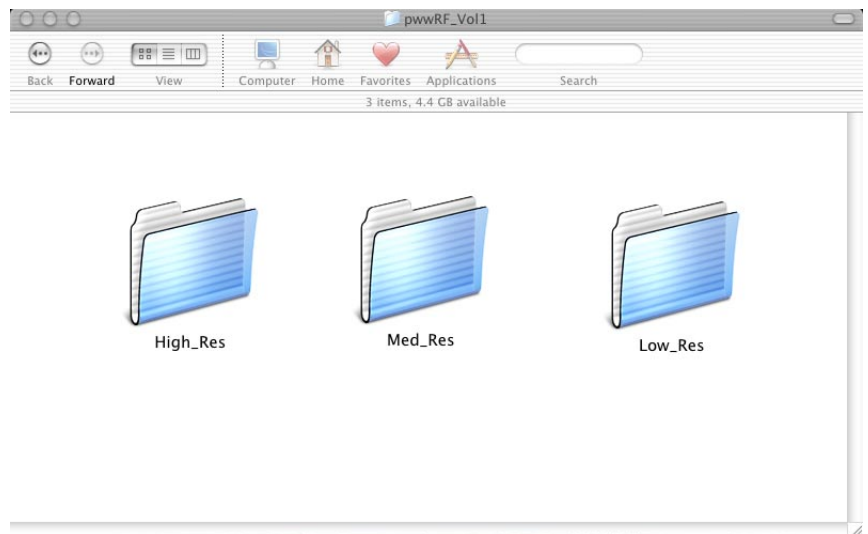

This folder contains a copy of each image in the highest resolution (34MB for a TIF image). Each image is saved as a JPG file with a compression setting of 12 (highest quality). They measure approx 14x9.25 inches at 300 dpi.

### Med\_Res

This folder contains a copy of each image with medium resolution (approx 14x9.25 inches at 150 dpi). Each image is saved as a JPG file with a compression setting of 10 (high quality).

### Low\_Res

This folder contains a copy of each image with low resolution (approx 14x9.25 inches at 72 dpi). Each image is saved as a JPG file with a compression setting of 10 (high quality).

### Finding an Image

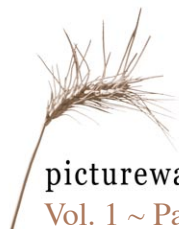

Use the included image catalogue starting on page 4 of this Getting Started booklet. You'll find thumbnail size images to browse through. Print these pages for easier viewing.

When you've found an image you want to use, simply reference the code under each image with the filename in each folder.

If you only need a photo for a website, then use the images in the Low\_Res folder.

If you need a photo for a printed piece from your desktop printer, use the images found in the Med\_Res folder.

And if you need to have something published in a book or magazine, use the High\_Res folder.
