How To Order

I need no know the file number of your desired photo. Your preview should have file names appear below each photo.

Package pricing is for prints made from a single frame. Splitting between multiple frames is not available.

SAVE 15%
All orders over $100 will instantly save an additional 15%.

Shipping and handling costs are not part of the calculation to reach $100, and are not subject to the discount when totalled.

Making Payment
All orders are to be pre-paid. Prints will be ordered and delivered in a timely fashion.

Please note, I always look over the results from the lab to ensure top quality results. If there happens to be any delay you will be notified at once.

Thank you for your order.
